

# Hole 4

*Par 4, 330 m*

HOLE	PAR	GOLD	BLUE	WHITE	RED
4	4	330	310	280	240

Given the prevailing wind, this could be a drivable par 4 for the big hitters! Be on target though as the green is small and a nest of bunkers await a shot too short and right. Otherwise the approach is straightforward. Beyond the green the slope falls steeply to out of bounds.
