

Hole 9

Par 5, 490 m

HOLE	PAR	GOLD	BLUE	WHITE	RED
9	5	490	460	435	400

A good drive between fairway bunkers will give an easy second shot over the low native plantings short of the green. A drive lacking in length will leave the decision to lay-up or go for it. This hole will play longer into the wind. Take a longer club if the pin is at the rear of the green that slopes from back to front.
