

# Hole 17

*Par 4, 340 m*

HOLE	PAR	GOLD	BLUE	WHITE	RED
17	4	340	320	300	270

Tees are nestled in the wetland creating a forced carry to the fairway. Whilst the wetland continuing along the right hand side of the fairway could look menacing, the fairway is generous and the green agreeable. The hole is a fun build-up to the finishing hole.
