Hole 18

Par 5, 555 m

HOLE	PAR	GOLD	BLUE	WHITE	RED
18	5	555	535	505	460

A challenging par 5 to finish the round. A bunker lurking in the middle of the fairway calls for a good drive from the tee. Water runs the entire length of the hole on the left. Accurate ball placement will avoid tricky recovery shots from the rough. The lake wraps around the generous rolling 18th green.
